

Christine Teagle, CCIM, CPM Division President

Professional Experience

As Division President for HPC Property Services, Christine is at ease collaborating with clients to provide solutions that deliver the long-term strategic views clients expect. Solutions include repositioning investments, working with distressed assets and negotiating transactions for institutional, private and corporate ownership. Christine recently directed a 7M square foot portfolio valued in excess of \$1.0B with 27 offices, industrial and retail properties located in Texas and surrounding southern region.

Her prior experience includes serving as Manager of Real Estate Services for Mary Kay Corporation, a privately held global corporation with a diverse portfolio of assets including manufacturing plants, office, industrial and retail properties located in 34 countries. Christine developed and implemented a set of international real estate standards that was used throughout the organization. Responsibilities included providing strategic direction in space programming, site selection and development, with a broader focus on negotiations for North America, EMEA and LATAM Region totaling approximately 4.7M square feet globally.

Christine began her commercial real estate career with Lehndorff & Babson (US Investor Services) as a commercial real estate financial analyst. Using the skill sets learned over the last twenty years, Christine continues to develop innovative client solutions. As a testament to her success, prior clients provide repeat business.
